## Operational Guidelines

- The Evening Program is part of the Sparta Program, where weekday outings are restricted. Penalties may be imposed for absences.
- The Evening Program consists of night classes and self-study. This time is used to review material not fully understood in regular classes and to ask questions freely.
- The structure of the Evening Program differs for Intensive ESL and IELTS students. IELTS students are required to complete participation by Friday evening.

## Special Benefits

- Students in other courses, such as Regular ESL and TOEIC Regular, may also join the Evening Program at no additional cost.
- However, once enrolled, attendance is strictly required, and participation may be canceled in cases of unauthorized absence.
- Please sign up at the Admin Office.
